RECEIVED  
FEDERAL ELECTION  
COMMISSION MAIL ROOM

May 31, 2000

2000 JUN -1 A 9 48

Mr. John D. Gibson  
Assistant Staff Director  
Reports Analysis Division  
Federal Election Commission  
999 E Street, NW  
Washington, DC 20463

Dear Mr. Gibson:

The Campaign for Working Families (FEC ID# C000325076) received your letter dated May 18, 2000 and the letter from Mr. Andrew J. Dodson dated May 17, 2000 concerning the issue of employer and occupation information with respect to our amended 1999 year-end, February 2000 and March 2000 monthly FEC reports.

Concerning occupation and employer information, enclosed please find a sample committee solicitation. This solicitation, like all our solicitations, informs the donor that the committee is required to report this information, and asks that the donor provide it.

In addition, please find another sample of the letter we send to those donors whose contributions exceed \$200, but who do not provided us with their occupation and employer information when they send us their contribution. We believe that this follow-up letter, which is sent within thirty days of receipt of the contribution, fulfills the "stand alone" provision in the regulations. A pre-addressed envelope (sample enclosed) is included with each request, even though the text of the letter does not reference it. In this manner, the committee continues to believe that it is meeting the best efforts provisions outlined in the letters from you and Mr. Dodson.

Sincerely,  
  
Peter Dickinson  
Treasurer

Dear Gary,

YES, I will join you Gary and recommit my support to Campaign for Working Families today. The upcoming November elections are critical to our nation's future. We cannot abandon our conservative values! We must fight -- together -- to defeat Al Gore and elect a pro-family, pro-life Congress in November.

I have signed this Pledge of Support as a symbol of my recommitment and dedication to Campaign for Working Families' conservative agenda. As Christian Conservatives, we have an obligation to remain in the political arena to protect our unborn children and not back down from the corporate special interests and Communist China.
